EPA would like to schedule another meeting to discuss CDPHE's proposal for settlement calculations/percentage.

Since we are already meeting on June 4th, I thought it might work out to schedule the discussion at the end of our Nelson Tunnel team meeting.

Andrea, Kelcey, Aaron, and Doug,

Would you please let me know if June 4th at 3:30-4:00 will work for you to discuss the CoCa Mines settlement monies?

Thanks!
Sharon
